BUILDING FUND CONTRIBUTIONS SUPPORT YOUR DAUGHTER’S EDUCATION

Like all schools, the facilities at Monte must be constantly maintained and improved to provide the best possible learning environment and to meet the changing educational needs of our students. Your voluntary contributions to the Monte Sant’ Angelo College Foundation Building Fund are used for improvements and maintenance of current Monte buildings and facilities.

In addition to general maintenance, Building Fund contributions in 2013 also assisted in financing a number of improvements to the College. These include:

- Large scale ceiling fans in the McQuoin Centre to improve air circulation
- Improved Business Office, Sports Department and facilities in McLaren Street precinct buildings
- Senior Common Room refurbishment (with generous support from the P&F)
- Air-conditioning upgrades in most buildings on campus

In 2014 Building Fund contributions will support various improvements including:

- New campus signage and improved lighting
- Covered outdoor learning spaces and facilities
- Classroom upgrades in all existing buildings
- Enhanced security and safety upgrades throughout the campus
- Specialised teaching spaces including recording booths

All contributions to the Building Fund are fully tax deductible and a tax receipt is issued. As the end of the tax year approaches you can make a tax deductible contribution to the Building Fund at any time through the College website or Business Office and also by including the suggested $250 voluntary Building Fund contribution onto your School Fees payment.

With the support of the Monte community, the College continues to provide the most advanced facilities available for teaching and learning for young women. Your ongoing support and contribution to the Building Fund is vital for the campus and Monte students.

Monte is extremely grateful for the generous support it receives from the community and Monte students thank you for your current and future contributions.
