The results for the Year 12 HSC Class of 2014 were released on Thursday, 17th December, with ATARs advised the next day. The information below is current as at 18th December, 2014.

Some of the early information is outlined below; however, this is incomplete for the Year 12 Class of 2014. A comprehensive analysis will be available after the International Baccalaureate Diploma results are released on 4th January, 2015.

Senior Study opportunities at the College

Senior students at Monte choose to undertake either the NSW Higher School Certificate or the International Baccalaureate Diploma Programme. In 2014, 154 out of 179 students attempted and successfully achieved the HSC.

HSC Class of 2014

Monte continues to be ranked well within the top 100 schools in the state, as it has been for the last ten years. Published HSC leagues tables of course, do not include the results of the IB Diploma.

Distinguished Achievers

The College congratulates Sandra Kanjian, who has achieved the status of HSC 'All Rounder' having achieved more than 90% in 10 or more units.

Sandra was one of an impressive group of 71 students, (46% of the HSC cohort) who achieved a mark of at least 90 in an HSC course, i.e. Band 6 or the equivalent in Extension courses. The list of Distinguished Achievers is too extensive to include in this document, but the College congratulates each of these students.

Notably, 93% of the overall cohort achieved a Band 5 or 6 in one or more subjects. Well over two thirds of marks achieved by all students in all courses were over 80. In Extension subjects, 86% of results were in the top two Bands.
Australian Tertiary Admission Ranks (ATARs)

While ATARS are not openly published, we can confirm that a pleasing number of students achieved ATARS in excess of 95. This list is only partially complete, but certainly includes:

- Lydia Albright-Le Page
- Sacha Barbera
- Amy Bowyer
- Isabella Horne
- Sandra Kanjian
- Natalie Martino
- Lucy Mathias
- Carly O’Sullivan
- Isabelle Sidery
- Sarah Williamson

We congratulate these girls and look forward to lauding them and other students at our Laureate Assembly on 5th February, 2015.

HSC Subject Achievements in 2014

The College congratulates Natalie Martino who was named in the Top Achievers list, achieving 16th place overall in Business Studies in NSW, out of a cohort of more than 16,000 students.

The College presented students for examinations in 33 courses in 2014. Of these, students achieved above state average in 27 courses. In the handful of subjects where results were slightly below state average, these tended to be in small cohort groups. In the following subjects, the school mean was more than 10 percentage points above the state mean: Ancient History, Community and Family Studies, Design & Technology, Geography, Legal Studies and Mathematics General.

Design and Technology

The following students were nominated for possible inclusion in DesignTECH, the annual exhibition of outstanding major Design Projects developed by HSC Design and Technology students.

- Madisson Agostino
- Jessie Horton
- Annie O’Brien
- Elissa Simpson
- Monique Taylor
- Isabella Travers

Music

Amy Bowyer has been nominated for ENCORE for her HSC trombone performance. ENCORE is a program of outstanding performances and compositions by students from the Higher School Certificate Music examinations. It is held annually at the Sydney Opera House.

Finally, from the College Principal, Mrs Nicole Christensen to the students

"Today we celebrate your individual successes and also your ambition. A Monte education gives you more than HSC success; it also equips you for a life of significance and purpose. Today we celebrate your success at achieving results to begin your University path in fields that will add significance and meaning to your life. Some of you have already decided on careers in medicine, bio-medical engineering, law, science, international studies, business, history and psychology. Whichever direction you decide, you will always have Monte’s core values of mercy, compassion, respect for others and social justice to guide you."

The College looks forward to further news on academic achievements with the release of the IB Diploma results on 4th January, 2015.

A further update will be released in early January.
