

CONGRATULATIONS TO THE CLASS OF 2025

ACADEMIC RESULTS

Monte Sant' Angelo
Mercy College

Principal's Message

Dear College Community

It is a privilege to share the academic achievements of the Class of 2025, an exceptional cohort whose success is made even more significant as they conclude their schooling in Monte Sant' Angelo Mercy College's sesquicentenary year. Celebrating 150 years of outstanding all-girls education is a remarkable milestone, and the accomplishments of this graduating class stand as a powerful affirmation of the enduring strength, purpose and vision of a Mercy education.

The Class of 2025 approached their studies with maturity, intellectual curiosity and a strong sense of responsibility. Whether undertaking the NSW Higher School Certificate (HSC) or the International Baccalaureate Diploma Programme (IB Diploma), our students embraced the challenge of rigorous academic pathways that foster deep learning, critical thinking and independence. Their results reflect not only individual diligence and perseverance, but also the strength of our learning community and the breadth of opportunity that Monte continues to offer young women.

These students have been integral to the spiritual, cultural, creative and sporting life of the College. Throughout their senior years, and particularly during our sesquicentenary celebrations, they have contributed generously to leadership, service and co-curricular initiatives, embodying the Mercy values that have shaped Monte since its foundation by the Sisters of Mercy North Sydney in 1875.

The academic outcomes achieved by this cohort are outstanding. We celebrate exceptional ATARs and IB results, impressive Combined Ranks and a wide range of individual honours across both pathways. State Placements, HSC All-Rounders and Distinguished Achievers, and students recognised through NESAs showcase programs are testament to sustained effort, resilience and a commitment to excellence, supported by the expertise and dedication of our staff.

These achievements are underpinned by the strong educational foundation provided through the IB Middle Years Programme in Years 7–10, which nurtures learners who are inquirers, critical thinkers and globally minded, qualities clearly demonstrated by the Class of 2025.

As they move forward, these young women carry with them the spirit and legacy of Monte. Their achievements honour 150 years of Mercy education and set a shining example for generations to come.

On behalf of the College, I warmly congratulate the Class of 2025 and wish them every success as they embrace the opportunities ahead.

Yours sincerely

Mrs Nicole Christensen
Principal

YEAR 12 2025

ACADEMIC SUCCESS

FROM A COHORT OF 199 HSC AND IB DIPLOMA STUDENTS

About the Curriculum AT MONTE

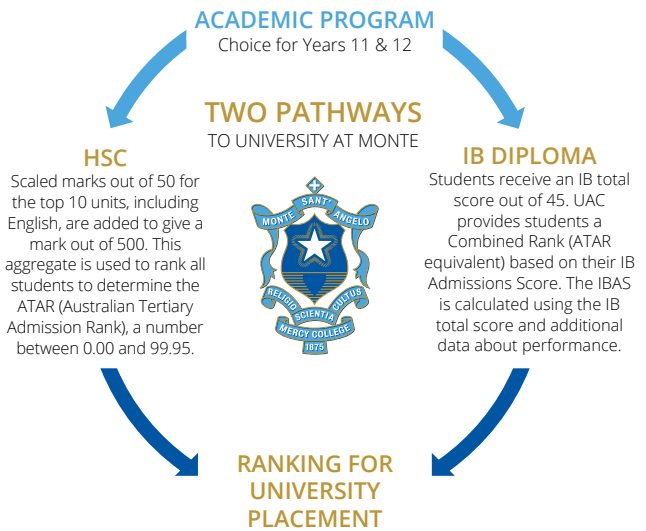

In Years 7 to 10, all Monte students undertake a course of study that meets the requirements of the NSW Education Standards Authority (NESA) Record of School Achievement and the International Baccalaureate (IB) Middle Years Programme.

At the completion of Year 10, students elect to undertake either the NSW Higher School Certificate (HSC) or the IB Diploma Programme. Both options prepare the students for opportunities at tertiary institutions, locally and internationally.

HSC or IB Diploma – what is the difference?

Both the HSC and the IB Diploma require students to commit to a significant increase in workload compared to Year 10. Both courses of study require students to be willing to develop independent learning skills as well as effective time management and organisational skills. The choice between the HSC and the IB Diploma is made by students, taking into account their own learning styles and subject preferences. Resources at Monte are equitably shared by students in both programs.

The delivery, assessment, grading and scaling of subjects for the HSC and IB Diploma differ.

Congratulations to the Class of 2025

Monte Sant' Angelo Mercy College
